CYYAC12 Theme (*Proposed*)

- Doing a New Thing
- Making it Essential (M.I.E.)
- Matthew 28:19
- Mission and Rationale

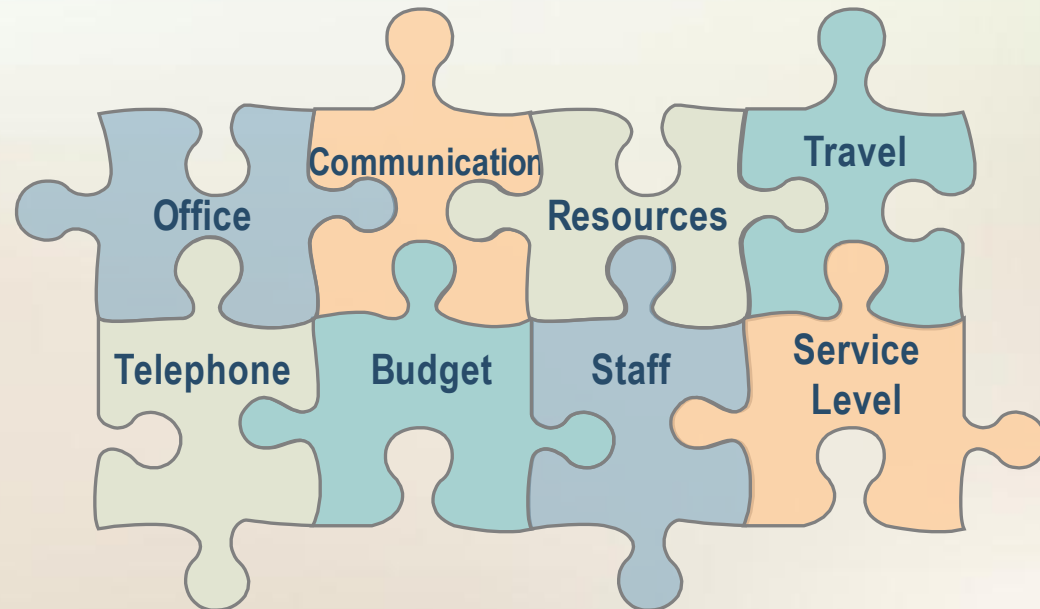

Engage youth and young adults in the essential mission of the Christian Church.

What does it mean for Youth and Young Adults to be engaged in the essential mission of the Christian Church in the 21st Century Church? This conference will guide youth and young adults in exploring how we continue to do a new thing by making discipleship, evangelism, leadership development and mission essential in the local church. Why do we call this a new thing? In our quest to become the church we have allowed many other priorities to become essential to our being, therefore, giving rise to a church that has been less than effective in discipleship, evangelism, leadership development and mission.
